Status

This is on-going. Marcia has been chairing the call and doing minutes.

We have had discussions about helping us collect information between the Fermilab library and us.

Have arranged to refresh OSG post cards based on Supercomputing 08 and 09 materials
Some plans for AH in progress.

Only occasional interactions.
Need to schedule Q1
Planned as part of AHM in March
Some underconsideration
Miriam and Dan, the iSGTW co-editors, are continuing to produce a weekly publication with ~5700 subscribers as of December 2009.
One lunch meeting held.

1 Newsletter produced

A proposal with others is in progress.

Must launch
