

## ASP2012 Ghana Grid School

- ASP2012 planning moving along well
- Overall ASP funding still 10k Euro short, but also fewer students; 56 instead of originally planned 65
- UTA and LTU funding guaranteed (\$5k each), as well as \$7k from NFS
- Still waiting for OU travel funding decision; hopefully next week
- Grid School agenda almost final; review at next DOSAR meeting this Thursday
- <http://www.cern.ch/asp/>
- Starting to plan travel – tickets, visas, vaccinations, ...
