3.2						Communications and Education Remarks
3.2.1						
3.2.1.1	Provide Materials at Conferences	Ritchie	10/1/2010	9/30/2011	0%	It was thought that some of our SuperComputing materials could be repurposed into providing information at the All Hands Meeting and other venues. However further analysis showed that the materials were too focused on information special to SC10 so that the effort was withdrawn.
3.2.1.2	Provide Communications to External Communicators	Ritchie, Boon	10/1/2010	9/30/2011	10%	Ritchie and Boon had informal brief conversations with external communicators of OSG information mostly at SuperComputing and at other meetings (e.g., AHM)
3.2.1.3	Produce Research Highlights	Boon	10/1/2010	5/30/2011	12%	One Research Highlight has recently been produced. Adjustments in staff assignments are being made with an eye towards producing more Research Highlights.
3.2.1.4	Produce iSGTW	Boon, Ritchie	10/1/2010	9/30/2011	60%	Boon has produced iSGTW issues on a weekly basis in conjunction with others on the iSGTW team (European Editors, etc.). Ritchie has reviewed iSGTW articles on a regular basis.
3.2.1.5	Produce OSG News	Lockhart, Pordes, Boon	10/1/2010	9/30/2011	44%	Lockhart, Boon, and Pordes have produced OSG News articles throughout the year to date.
3.2.2	Track and document list of publications in which OSG resources are responsible for science results	Lockhart, Ritchie,	10/1/2010	5/30/2011	50%	Lockhart and Ritchie are preparing to produce the Spring list of publications in which OSG resources are responsible for science results.
