

Metrics and Measurements

Brian Bockelman

Area Coordinator's Meeting

Sept 16, 2009

Since Last Time

- Internal Metrics report sent out to EB – thanks to all who participated.
- Year 4 WBS defined and agreed upon – next up, SOW.
- Science Domain report went out.
- Installed Capacity work is done at OSG side, heard *nothing* from WLCG.
- New collaborators – Karthik from OU. Working on transfer reports right now.
 - Storage and transfer information in Gratia; he'll be designing ways to get it back *out*.
- Finishing up a journal proceeding on M&M from ISGC'09 today.
- Continue to liason with Gratia and now MyOSG.

WBS Tracking

- Year 3 items are mostly on “autopilot”.
Projects that will be done in Year 3 are done;
most remaining things are monthly reports.
- New in Year 4:
 - Sustainability drive to get operations stuff out of Nebraska (3.1.2).
 - Collaborate with I2 on network metrics (3.1.1).
 - Information services consistency campaign (3.1.5).
