Communications Area Coordinator's Report

- Accomplishments...
 - The report of the list of OSG Scientific Publications for the period of July 1, 2009 to June 30, 2010 is complete and has been released to Chander for incorporation in the NSF report.
 - Additionally, a number of research highlights have been produced for the NSF report.
 - Arrangements have been made with the SPIRES Mirror at Fermilab (<http://www-spires.fnal.gov/spires/hep/>) to catalog and tag the OSG Scientific Publications just submitted. Over the next ~5 months, we will work with the SPIRES Mirror to catalog and tag **new OSG Scientific Publications** as they become available and are provided.
- WBS Status – see next slide.
- Proposal – End of summer presentations by summer students?
