# **Getting Resources**

#### **Options for Resources**

- Your own lab
  - Start a small cluster with workstations
  - Can grow or merge with others
- Your own university (or institution)
  - No cluster? Talk to your CIO
  - Get others interested and petition
- Collaborators (ask nicely)
- OSG

#### **Using OSG**

- For now, use School resources and OSGEDU VO
- Use the Campus Researcher Club

  https://www.opensciencegrid.org/bin/view/CampusGrids/CampusResearcherClub
- Look for existing Virtual Organization (VO)
  - "OSG VOs" on OSG home page
  - Any good fits?
- Start your own?
  - Generally not a great solution
  - ▶ Takes time, expertise, and site acceptance
- Otherwise ...
